

KBD Fund becomes modern!

Dear Friends,

It's with pleasure and pride that we are sharing with you our 1st newsletter. We think, indeed, that's time for us to keep updated with new technologies and this is only the first step! See by yourself:

KBD Fund in video

In 1.30 minutes, this [video](#) summarizes the actions and the results obtained by the activities implemented in the Tibetans villages included in our project.

The disease on Facebook

Initiated by a small group of fervent supporters, who think our cause deserves to be better known, a [Facebook page](#) especially dedicated to the disease was created.

To like and share around you!

Rare Disease Day

It is the opportunity for thousands of organizations to raise awareness of their causes, most of the time left out, because too unusual. Help us to make ours better known by sharing our [video](#) or the [Facebook page](#) "Kashin-Beck disease"!

Thanks for your support!
